The Galleon

Kenly High School has presented many happy memories, long to be cherished.

Each familiar spot on the school ground - the ballgames, the club meetings, the plays.

Nice classmates so devoted to each other, the classrooms where we labored.

Loyal to all that this represents - a life we so enjoyed this past year.

Yes, in gratitude we offer this '56 Galleon to be treasured by all.

In great devotion we dedicate this annual to our dear parents. It is they who have guided us to this point in our lives. They recognized our shortcomings and with untiring efforts tried to help us overcome them. In this small way we wish to express our love and gratitude to them.

POEM

We were a green and scared crew
When we entered high school in '52.
We've had lots of work to do,
But we've had our fun together, too.

We've slaved for many, many hours
To achieve this knowledge we call ours,
But now we have come to part our ways
To spend the remainder of our days.

Some will continue to go to school;
Some will soon have a home to rule;
Others, work of their own will choose,
While the armed service gives others the blues.

But no matter where or how we go,
These years will still in our memories glow,
And the work and fun and the hopes that failed
Will always in our hearts prevail.

Class History

As all the important events of past times and the lives of all great men are recorded as history, we, the Seniors of 1956, feel that we must leave some record of our achievements during our school days which will soon be history.

We entered our freshman year at Kenly High in 1952. We thought we were awfully smart and very grown up, but we had a lot to learn. We were confused by various rules and regulations, clanging bells, and changing classes which were all very new to us. We had as our sponsors that year Mrs. Boyette and Mrs. Yelverton. Our class presidents were Charles Little and Betty Culbreth. Some of us had extra-curricular activities such as basketball, baseball, Glee Club, and 4-H Club. Soon our freshman year had ended, and we were faced with summer holidays.

We re-entered school in the fall of 1953 as high and mighty sophomores. We knew everything; we were upperclassmen then. Our sponsors for that year were Mrs. Sullivan and Mrs. Yelverton, and our class presidents were Charles Little and Wanda Peacock. That was the year we started raising funds that all classes must have to meet numerous needs that might arise by selling candy and cookies. With the ending of that year, we were ready to be known as Juniors.

A bright sunny fall day in 1954 found us returning as very hopeful Juniors. Our sponsor was Mrs. Vandaveer and our class president was Charles Little. Our attention was focused mainly on ordering class rings and on the Junior-Senior Banquet; but we had other thoughts which were not so very pleasant. There was money to raise, so we started this campaign by investing in the Junior Store which was very rewarding. We also did outside work, such as picking cotton, grading tobacco, and selling school pins. Then someone suggested a Junior Play, so we presented "Here We Go Again" which was a great success. We now had ample funds to begin planning for a Junior-Senior Banquet which was given May 8 in the Cherry Hotel at Wilson with a "Southern Plantation" as our theme. I think that I can rightly say that everyone enjoyed it immensely. At class night we presented the rose chain to the Seniors which we thoroughly enjoyed because it made us feel that we were nearer to being able to replace them as Seniors. Thus ended our third high school year.

What a wonderful feeling to be returning to school for our last year! This being our last entrance, nothing stood out more in our minds than the thoughts of of graduation and diplomas. Mrs. Vandaveer was our last sponsor and Truette Wall was our class president. Our main job that year was publishing "The Galleon." It was a lot of work, but we think it was well worth while. We sold ads and magazines to raise money that year. We sponsored two class plays, "Finders Creepers" and "Here Come the Brides!" These were very joyful occasions. Some members of our class participated in basketball, baseball, Glee Club, Beta Club, 4-H Club, and Student Council. Another important date in our history was April 27 when the Junior Class invited us to the Cherry Hotel in Wilson to enjoy with them our last school banquet. Their theme was "Candyland," and it proved to be a very enjoyable evening for everyone. Our mascots honored us with a barbecue supper at Batt Johnson's on May 10. This nearly ends our last school year with the exception of our class night. We chose as our setting, "April in Paris" and it provided us with memories that we will never forget. At last May 28 arrived and we were ready to say good-by, not with regret, but wishing to express our gratitude to everyone for offering us the four fullest years of our lives. You may be sure that we will carry well-earned diplomas in our hands and innumerable memories in our hearts.

Class Prophecy

As I sat by the fire one evening, I fell asleep and dreamed of my classmates ten years from now.

First, I drifted to Kenly School and found Gwen working as secretary in the principal's office, and Donald was the agriculture teacher.

Then I drifted uptown and found Felton managing the Kenly Youth Center, and Margaret, the secretary. Margaret told me that Betty Ann and her husband lived on the biggest farm in Johnston County, and that Bobby and Luby had put in a used car lot at Hickory Cross. I was interested to find that Shelton and Walter were working at their life's ambition--they own a doughnut shop at Bagley.

I found that Sarah Jean and Linda were partners in their own dress shop in Wilson; Nancy M. was their dress designer. Ann C. was busy at the switchboard in the telephone office at Wilson.

I went to Raleigh and found Pauline relaxing on her front porch. She was listening to her favorite record show. It was easy to guess why it was her favorite--Cooper was M.C. of his own program at station WKHS. He was playing a song for the class of '56, their sponsor, and especially for his wife, Mildred. The song was GRADUATION DAY. I looked next door and saw Dora Ellen coming across the yard. She had just got home from her job at Vick's Grocery Store. After a few greetings she told me that Billy was managing the basketball team at State and that Mack was the manager at Carolina. Nancy B. was head nurse at Rex Hospital, and Charles was Dean at a Woman's college in Raleigh.

Then in my dream, I went to Washington and New York. In Washington I found Marie working for the F.B.I. When When I reached New York, who should I find but Carol Ann! She fell in love with the city when we visited there as seniors, so when she graduated she took the place of Baby Snooks on a TV show. While I was standing on a street corner a bus came to a stop beside me. I looked up to see Melvin at the wheel. He told me that C.L. joined the Navy and liked it so well he decided to make a career of it.

I drifted on and found myself in California where I visited Doris at Parks Air Force Base. Boy, she liked the Air Force! She told me that Virginia Ann was a wonderful Airline Hostess for Pan-American Airlines.

When I returned to Kenly, I found that Lenora and Janyce were living quiet lives with their families. I turned on the TV and saw Truette who now has his own program and ranks with the best M.C.'s in the business. Lenora told me that Herbert Jr. was making his career in the Air Force.

While in Kenly I ran across Jo Ann. She was working as secretary for the Miller Tobacco Company in Wilson. She told me that Linwood was a very successful businessman in Raleigh, and that he had Wanda and Anne W. working as secretaries for him.

I found that my life was full of excitement, but I awoke and didn't have time to think of myself. I was too busy thinking of my classmates.
